update  
confectionery and sweetness  
glass and ceramics  
photo to evoke  
photo to describe  
identity by photo  
jar and pot  
labels and sleeves  
single product  
end-user packaging

From Tridimage site: "Tridimage created the packaging and brand identity for Golden Andes Dulce de Leche. The qualities of this product were highlighted by use of illustration that emphasize the natural origin of the product, the creamy texture, as well as a truly indulgence feel. With strong colors, the graphic are more inviting and impactful for consumers.
