LAUNDRY DROPPS

Properties list:

single product
new product
homecare products
pouch
plastics
mass-market
smooth
identity by shape
end-user packaging
unit dose packaging

The simple switch from jug detergent to dropps immediately shrinks the footprint you leave behind on the environment. Dropps keeps tour clothes as clean as your conscience. Letting fish breathe happly, aquatic palnts bloom and high-efficienty washers do their thing. How very low-impact.
