

BILLFISH LATITUDINE 45

Properties list:

- reusability
- end-user packaging
- men
- bottle
- other shapes
- clothes and accessories
- historical, traditional
- hand-made
- plastics
- unusual structural association
- limited edition packaging

Bottle made of acrylic crystal and that can be opened from the base. The package contains a t-shirt and a message referred to the adventure spirit. In the point of sale bottles are sold twelve by twelve in boxes, creating a real "canteen" to be broached and weared once they are stacked.
