

# JUST MARRIED

---

## Properties list:

ironic  
cardboard and paper  
other shapes  
event packaging  
ready to use  
product accessibility  
end-user packaging  
single product  
concept  
identity by abstract shapes  
identity by colour  
identity by shape  
pasta, rice and grains  
dispensing systems  
die cut

A surprising way to give more gestural expressiveness to the traditional 'rice throwing' at the weddings through this 'super-hero' package. While opening and throwing, the cloak spreads as the rice falls. Guests can also draw or write messages 'well or bad intentioned' on the white surface.
