

WINDOWS VISTA

Properties list:

- product accessibility
- end-user packaging
- range of products
- new product
- electronics
- opening and closure systems
- disc-case
- plastics
- high-tech
- identity by shape
- identity by system of colour
- identity by abstract shapes

A great amount of work has been put into the packaging of Windows Vista. The plastic case features an original rounded corner and offers a slide-out slot to easily access the disk, while the overall colour helps differentiate between the versions: Home Basic, Home Premium, Business and Ultimate.
