

# STOP'N GROW SHOPPING BAG

---

## Properties list:

packaging as a new medium  
range of products  
extra-use of packaging  
new product  
other non-food products  
shopping bag  
plastics  
mass-market  
ironic

Idea of the hand going to the mouth, when person carries the back. Funny out look. Colours are real looking. Message is getting through: "are you a nail biter?". It is getting your attention when you see it.
