

# REMARKABLE PENCIL

---

**Properties list:**  
end-user packaging  
single product  
concept  
office and stationery  
folding carton  
contemporary  
cardboard and paper  
rough  
corrugated  
identity by shape

This is a pencils packaging concept by Frost Design. The use of raw cardboard with lots of empty space almost seems to be an invitation for the user to try out the pencils directly on the surface.
