

# MILK CARTON REDESIGN

---

## Properties list:

end-user packaging  
concept  
milk  
gable top  
polylaminated  
contemporary  
identity by system of colour  
identity by abstract shapes  
range of products

Experiment in form, function, and fun. The goal was to use a standard milk carton as the canvas to create a clean, modern, and functional design yet still approachable for the consumer.
