- teens
- kids
- end-user packaging
- range of products
- new product
- folding carton
- snacks
- playful
- cardboard and paper
- unusual visual association
- illustrated character
- identity by colour

Pretz is a famous Japanese snack made by Ezaki Glico. Pretz packages are now becoming "Tzuretette-kun" (in Japanese means "Mr. Takemewithyou"): a package that looks like an animal and can be kept and attached to the edge of girls' bags, thanks to its paper hands.
