- ironic
- unusual structural association
- identity by shape

This concept personal work by Cezary Łopaciński documents the 10 years of artistic activity of the Czestochowa's graffiti artists. The project is composed of 6 volumes; each volume has 940 pages. The whole 'book' has 5640 pages. The packaging is inspired by a spray-paint paper box. The external packaging, the box, report the general information about the volumes. Each volume has its own packaging which is designed in way to remember a spray.
