The ?it? Bar from famed NY candy store Dylan?s Candy Bar comes beautifully packaged in a white textured box with blind embossing, foil stamp and tip-on label. ?The ?it? Bar is a chocolate bar designed to appeal to the adult Dylan?s Candy Bar shopper. The challenge with creating the packaging for this product was in striking a balance between the sophistication of the intended buyer and the playful, colorful spirit of Dylan?s Candy Bar. Another challenge lay in the fact that it was a product that needed to stand out within a store that is overwhelming in terms of the sheer number of colors and patterns used. Subtlety was the answer. The ?it? Bar was packaged in a white textured box with blind embossing, foil stamp and tip-on label.?
