## ALICE CHOCOLATE

## Properties list:

end-user packaging single product new product confectionery and sweetness chocolate folding carton metals cardboard and paper contemporary debossed, embossed identity by pictograms

?From the matchbox-like packaging to the slender bars of dark chocolate contained within, Al ice Chocolate is an exquisite treat through and through. The silhouette of a girl stamped on e ach bar and adorning the package furthers the Victorian allusion of the name and makes for a lovely gift or accompaniment to coffee."
