

PROBAR FRUITION PACKAGING

Properties list:

- end-user packaging
- range of products
- update
- snacks
- flow-pack
- plastics
- natural
- contemporary
- identity by illustration
- identity by system of colour

Probar is a high performance energy bar made from whole, raw foods. Each flavor is a different mix of fruits, nuts, berries, and seeds. Unlike most energy bars, Probar's ingredients are natural and recognizable. Moxie Sozo was hired to redesign Probar's entire product line. After the new launch, sales increased dramatically, market share improved, and the company picked up numerous new retail accounts.
