Properties list:

- end-user packaging
- range of products
- pasta, rice and grains
- folding carton
- cardboard and paper
- ironic
- historical, traditional
- contemporary
- identity by illustration
- identity by colour

"Pietro Gala" is a new premium pasta brand, distinguished by handcraft manufacturing and high quality ingredients. Fresh chicken agency developed the brand name, character and designed production package. Pietro Gala is an Italian chief cook, whose image features different kinds of pasta. Cardboard texture and one-colour print emphasize naturalness of pasta and generate positive emotions.
