

SAINSBURY CONTEMPORARY MILK

Properties list:

- information accessibility
- end-user packaging
- range of products
- concept
- milk
- gable top
- polylaminated
- cardboard and paper
- identity by typography
- contemporary
- identity by system of colour
- information about content
- identity by textures and patterns

"I wanted to keep it very typographical so I explored legibility with type. I realised that people tend to choose milk by what colour it is and what size it is rather than reading what it is. So I had this knowledge in mind when experimenting how illegible I could push the type."
