

SALIAMI POSTMODERN

Properties list:

- new product
- books, movies and music
- pouch
- plastics
- mass-market
- unusual visual association
- unusual structural association
- transparent
- single product
- end-user packaging

An interesting CD package design by Mother Eleganza for LOWVIBE. "This is the CD package design of Lithuanian musician SHIDLAS, album named SALIAMI POSTMODERN. The CD is vacuum-sealed like real salami and the sticker with contents is like it would be from a meat shop."
