## **STACKED WINES**

## Properties list:

unit dose packaging ready to use adults end-user packaging range of products new product wine cup labels and sleeves plastics die cut contemporary identity by shape identity by modular structure identity by system of colour

The glasses of wine are kept together by a plastic sleeve on the outside. The content of the whole pack is the equivalent of a 750 ml bottle, but divided in four single-servings packages. Merlot, Pinot grigio, Chardonnay and Cabernet Sauvignon are the four available wines. The material used is a high-quality plastic that is shatterproof and lightweight, while also protecting wine from oxidation and spoilage.
