Properties list:

- single product
- end-user packaging
- new product
- additional structural elements
- homecare products
- tube
- rough
- cardboard and paper
- identity by typography

From [Eric Kass of Funne](#)

l: "Linnea's Lights candles combine all natural soy wax, lead-free cotton candle wicks, pure essences and fine fragrances to create clean burning, perfectly scented and highly aromatic candles. All of Linnea's Lights natural soy candles are meticulously hand-poured in small batches. Custom die-cut labels printed in metallic gold with fragrance related ink colors rubber stamped. Top photos by Angela Talley."
