- range of products
- new product
- cosmetics, beauty and toiletries
- bottle
- plastics
- smooth
- illustrated character
- identity by illustration
- identity by system of colour
- end-user packaging
- kids

Little monsters adorn Turner Duckworth's packaging for Superdrug's children's haircare range - a tongue-in-cheek reference to the little monsters hint at the fragrance of each product type: a two-headed monster for two-in-one shampoo and conditioner, a dripping three-eyed monster for after-swim three-in-one conditioning shampoo and body wash. Kids love the illustrations and the name connected with parents.
