

TAUT ISOTONIC PACKAGING

Properties list:

- range of products
- end-user packaging
- update
- juices
- cheer-pack
- plastics
- metals
- mass-market
- metallic
- identity by shape

Pack format is a key element in communicating a product's functionality. Taut is the world's first totally clean isotonic sports drink. Identica created a crisp pack design that communicates hi-tech through a silver finish, and natural refreshment through the fruit and water depiction.
